

Not your typical summer camp!

At LEAD WI, we believe the best time to start being a leader is NOW, and the best way to learn is to DO IT!

That's why we're launching an authentic leadership simulation where high-school campers have the opportunity to experience the roles of community leaders first-hand in their state capitol.

Mix that in with engaging Biblical worldview discussions, faith-building worship, compelling chapel, a hearty dose of recreational activities, and lifelong relationships built throughout the week... and you've got a pretty good idea of what LEAD WI looks like!

professionals from a wide variety of fields, campers are given the unique opportunity to see what a Christian leader faces in the real world.

BE EMPOWERED >

LEAD WI's curriculum is taught by trained instructors, who will lay a Biblical foundation. The camp experience includes training sessions, covering an array of engaging discussions. Topics may include:

- > Life: Making the Case for the Unborn
- > Religious Freedom: What's the Big Deal?
- > Worldviews: Communism, Socialism, etc.
- > Creationism: Do We Have the Scientific Proof?
- > Leadership: Being An Influencer
- > Marriage and Family: Why It Matters
- > Racial Issues: God's Design for Mankind
- > Social Media: The Good, The Bad, The Ugly

ACT AS STATESMEN >

Campers role-play as state representatives, researching and debating real bills from the Wisconsin legislature. The simulation culminates with a session on the floor of either the Assembly or Senate Chamber in the Wisconsin State Capitol.
