OUR TRACKS THIS YEAR

ASSEMBLY

First-time campers are sworn in as members of the LEAD WI Assembly where they work to pass or fail real bills from the Wisconsin legislature. Campers strategize with their caucus, hold a press conference, and hear from professional lobbyists in committee meetings chaired by real state legislators. LEAD WI culminates on the Assembly floor in the Wisconsin Capitol where campers debate and cast their votes.

SENATE

Alumni campers role-play as state senators. They take up more challenging tasks by offering amendments to bills and engaging in open debate. Senators strategize with their caucus, host a press conference, act as reporters during the Assembly Track press conference and attend committee meetings chaired by real state legislators. LEAD WI senators convene for their own final legislative session in the Wisconsin Capitol.

MEDIA

This alumni track covers all camp events. The LEAD News Network's (LNN) print publication, *the LEADer*, is a daily newspaper featuring the latest news, updates and opinion pieces—all written by the Media Track campers. LNN produces a broadcast, shown at the end of the week during the commissioning ceremony. This track focuses on Journalism and Reporting, Writing and Research, Videography and Photography, Interviewing, Editing, and Media Ethics. Attendance is limited and is based on application acceptance.
